

Conan Mafnas

Objective: Applying for the Front-End and Back-End Web Developer Internship
Position for Engage LLC.

Address

13274 Ambblewood Drive, Manassas, VA
20112

Phone (571) 292-6830

E-mail deltatf1@gmail.com

Date of birth 16 Mar 1996

I have been very passionate upon programming since I was 15 years old. I have worked on personal projects using primarily the back-end language Java. Although, Java was my first programming language, I have great interest learning more programming languages. I wish to gain more knowledge about both front-end and back-end web development work. I believe that working with your organization and learning on the job will be decisive step forward in my programming career.

Experience

Dec 2017 - present	Front-End Web Developer Intern <i>430 Designs</i> <ul style="list-style-type: none">• Worked on websites using WordPress.• Manipulated the DOM using HTML, CSS, JavaScript and JQuery.• Worked with a team to accomplish tasks using the sprint method.• Used the Version Control System .Git to push and pull from each projects repository.• Worked with the FTP Client (FileZilla) to pull directories from the server to clone the parent site and create a child/development site to work on.
	Web Designer/ Front-End Developer <i>STEED International</i> <ul style="list-style-type: none">• Designed the Landing Page with Photoshop Elements.• Developed the website using HTML, CSS, JavaScript Plugins.
